The Third Annual
DEL MAR DAY 1982
Program

For information regarding this commemorative artwork, see page 1 (Poster Sales).

Many thanks to the athletic event sponsors and Friends of Del Mar whose financial and volunteer support made Del Mar Day '82 possible.

SPONSORS: VALLEY FEDERAL, THE FISH MARKET, WINNERS CIRCLE RESORT, BUDWEISER LIGHT, KEN RONCHETTI DESIGN.

FREE TRANSIT SYSTEM

6:30 am - 8:00 pm  KyXy 96.5 DOUBLE DECKER BUS AND KOBO DEL MAR TRAM

Visitors may park in the Del Mar Fairgrounds. (Take I-5 to Via de la Valle, left into the Solana Gate) and take either a Double Decker bus or tram to the center of town. Streets will be closed and parking unavailable, so the transit is the best way to find the activity. The KOBO TRAM will also run on Sunday October 3rd.

7:30 am - 11:00 am  PANCAKE BREAKFAST

Join the Chamber of Commerce at Seagrove Park for pancakes, ham juice and coffee. Adults $3.75, children $2.50.

9:00 am - 5:00 pm  COMMEMORATIVE POSTER SALES

Architectural artist, Susan Simmen, has created a nostalgic rendition of Del Mar's central landmark, Stratford Square. Sepia tone posters, $5.00; horizontal hand-tinted prints $30.00; museum quality, custom tinted, signed and numbered lithographs $75.00. Sales in Seagrove Park and at Arts and Crafts Fair.

9:00 am - 1:30 pm  McDONALD'S CHILDREN'S ACTIVITIES HOSTED BY THE FRIENDS OF THE DEL MAR LIBRARY

All children are invited to the north end of Seagrove Park for puppet shows (10:00 am, 11:00 am and 12:00 noon), coloring, music, face painting and more!

9:00 am - 5:00 pm  RAFFLE DRAWING

Look for the Torrey Pines High School Cheerleaders. For just a $1.00 donation, you will be eligible for fantastic prizes, from a weekend for two at the San Diego Hilton (complete with Bay Tour and dinner), to a case of Calistoga Mineral Water, labeled "Del Mar '82", to dinners in our finest local restaurants. Drawing at 7:00 pm. Winners need not be present.
10:00 am - 7:00 pm  ARTS AND CRAFTS FAIR

Going into its third year, the traditional Arts and Crafts Fair will once again be a focal point for Del Mar Day. Artists throughout the county will set up individual booths and be available to talk about and sell their particular crafts.

10:00 am - 7:00 pm  MERCHANTS DISPLAY

On the south side of 15th Street, area merchants will create a display of their unique items for sale to the public.

11:00 am - 8:00 pm  CONCESSION SALES

All day picnics will be a pleasure with hot dogs ($1.00), Pepsi ($1.50), Budweiser Light Beer ($1.00), and milkshakes ($1.00). Look for booths and tables in south Seagrove Park.

11:00 am - 3:00 pm  SANDCASTLE BUILDING

Temple Ashbrook and Loretta Hyatt-Ashbrook will create a magical structure from beach sand. Bring a bucket and shovel, and be taught the fine art of sandcastle building. Everyone is welcome! Construction is at the foot of the Seagrove ramp.

11:00 am - 11:45 am  PARADE OF CARS

The premier Del Mar Parade of Cars will begin at 11:00 am from the fairgrounds. One hundred of the county's finest collectors' cars will come up Camino del Mar, led by our Torrey Pines High School Marching Band and a fun-loving group of clowns. Clubs participating include Ferrari, Historic Race Cars, Pantera, Corvette, Antique Autos, Austin Healy, Porsche and many more.

12:00 noon - 4:00 pm  WINNING CAR DISPLAY

Twenty-five award winning cars from the Parade of Cars will be displayed along with car club information north of the Arts and Crafts Fair. Winners will include the Polish and Shine Award, Mayor's Trophy, City Council Trophy and runners-up in each category.

2:00 pm - 4:00 pm  MCDONALD'S CHILDREN'S GAMES

By popular demand, children's games are back with ribbons, balloons, music, pony rides and more. Games suited for the sand will be held in lower Seagrove Park at the volleyball court. Ronald McDonald will arrive with prizes at 3:30 pm.

RACE PACKET

Dear Competitors,

Welcome to the Del Mar Day 1982 Athletic Events. These competitions are part of Del Mar's Annual Civic Celebration, which also includes an Arts and Crafts Fair, Children's Events, Entertainment, Historical Walks and the Annual Chamber of Commerce Pancake Breakfast. We invite you to look around, both before and after the athletic competition which you've entered, and participate in as many Del Mar Day features as you desire. A complete schedule of Del Mar Day events will be available at the information table for your convenience.

We hope that this race Packet answers your questions, and provides all the information you need. Should you have any additional questions, please call us at the listed numbers.

Enjoy yourself, and good luck!!

INFORMATION SHEET

PLEASE READ THESE INSTRUCTIONS VERY CAREFULLY

WHERE:
Seagrove Park, Del Mar... 15th and Coast Blvd.

TRANSPORTATION: Take I-5 to the Via De La Valle Exit, and drive west on Via De La Valle to the Solana gate entrance to the Del Mar Fairgrounds/Race Track. Enter the gate and park in the designated area. A double-decker bus and a tram will shuttle continuously all day from 6:30 a.m. to 8:00 p.m. from the fairgrounds to the center of town, and back.

DO NOT PARK in the regular (large, eastern) fairgrounds parking lot. That lot is on the bike races course. Please enter the Solana gate on Via De La Valle and park inside the fairgrounds. Triathletes and bike riders will want to bike the short, warm-up ride into town.

Several North County transit district buses serve Del Mar. Check the schedule for connections to your area. Additionally, the Amtrak station is right in the middle of town.

Parking in the city of Del Mar is virtually zero, as many of you will know. So please car pool to save energy and park in the designated fairgrounds area, using the free shuttle bus.

INFORMATION: An information desk will be located at Seagrove Park, near the registration tables.

COURSES: A map is provided with this packet. All distances are approximate.

REGISTRATION: Late-entry registration begins at 7:30 a.m. All entry fees are increased $2 for Day-of-Event Registration. Pre-registered entrants, with exception of Triathletes, DO NOT have to check in. Just go to starting line of your event. SEE MAP.

1. Insure that your Finish Tag (attached to your Race Number) is completed correctly and the color code is right for your age and sex division. Do not detach from your race number. Any problems with your event packet should be directed to Rosemary Brauer of Sports Consultants (267-1279 evenings). All other questions should be directed to Betsy Milich or John Collins, Race Directors, at 755-9313.

2. RUNNERS: Pin the event number with tag to your running clothes in FRONT.

SWIMMERS: Pin the small tag to your bathing suit in FRONT.

BIKERS: Pin the event number with tag to your biking shirt in BACK. Stick the gummed number label on your vertical head tube so that it may be seen by an observer in front of your bicycle.

TRIATHLETES: Pin the event number with tag to your running clothes in FRONT. Stick the bike gummed number label on your vertical head tube so that it may be seen by an observer in front of your bike.
TRIATHLETES AND SWIMMERS: Will be numbered with a felt pen and therefore must check in prior to noon at the registration table in Seagrove Park.

FUN-RUNNERS: Pin the event number (it has no tag) to your running clothes in front.

It is important that you realize your number is NON-TRANSFERABLE and CANNOT BE REPLACED. Please remember to bring it on October 21! Your number must be visible in order for you to enter the starting area, enter the finish chute, and receive your T-shirt.

Entrants are urged to discourage non-registered athletes from participation. Their presence may seriously affect the quality of and especially your safety during the event, and jeopardize our ability to provide accurate times to official participants. They hinder your participation and take unfair advantage of resources obtained for your use.

FINISH:
1. The finish lines will be clearly marked.
2. Your finish time will be displayed on a large digital Zetachron Raceclock.
3. DO NOT STOP AT THE FINISH LINE. Continue to go through the finish chute as directed by the race officials.
4. STAY IN YOUR FINISH CHUTE UNTIL YOUR FINISH TAG IS PULLED. Your Finish Tag will be removed at the END of the finish chute. Results are tabulated by the order in which these tags are collected.

REFRESHMENTS: Aid stations will have water and probably ERG. Post-race will offer beer, soda, fruit and Calistoga mineral water. Complimentary tickets for these items are included in this race packet. Additional tickets will be for sale in Seagrove Park.

T-SHIRTS: Each event has a different T-shirt. One T-shirt per participant regardless of events entered. Your bib number is your ticket to pick up a T-shirt at Seagrove Park.

RULES: These are individual endurance events. Teamwork which provides you with an advantage over another competitor is not allowed (e.g., drafting). Participants are expected to heed directions and instructions of all red-shirted race officials. Individual support vehicles or non-participant escorts are not allowed, and will result in disqualification of the participant.

RUN:
Starts at 3:30 p.m. The distance is approximately 10KM. There will not be any split times due to the difficulty of accurate measurements on sand. No form of locomotion other than running, walking or crawling is allowed. Runners must wear race number at all times on the course and the race number must be placed on front of the runner in plain sight.

BIKE:
Starts at 9:00 a.m. Helmets are RECOMMENDED for the biking events. Many serious injuries have been averted due to this simple precaution! NO DRAFTING! INTENTIONAL DRAFTING IS CAUSE FOR IMMEDIATE DISQUALIFICATION. No fairings or streamlined bikes of any kind allowed. Each participant must have race number in plain sight at all times while on course. Number must be placed on your vertical head tube so that it is in plain sight by an observer in front of your bicycle. Each participant will be individually responsible for repair and
maintenance of own bike. Biker must be prepared to handle any possible mechanical malfunction and may not be assisted by his second. The second is for equipment security and participant safety, not technical assistance. Participant may walk bike, if necessary.

**SWIM:**

Starts at 12:30 p.m. Bathing caps are recommended and goggles are permitted. NO private paddlers, fins or floatation devices are permitted. If you get into trouble during the swim, PLEASE yell and wave at one of the Lifeguards who will be paddling alongside the swim. DON'T be a 'brave' statistic! DO NOT enter swim unless you have adequately trained for it. Pool swimming is very different from ocean swimming. It is most strongly recommended that you have trained in the ocean for this event. Swimmers will be required to have red-shirted race officials mark race number on their chest or arm. Number may be washed off AFTER swim but must remain on during swim.

**TRIATHLON:**

Starts at 12:30 p.m. Please note comments on the swim and 10K events, as these are applicable to the Triathlon also. Every individual entrant must bring along a non-participating assistant known as "your second." This person will present and take your bicycle in the 15th Street area at the appropriate time. Red-shirted race officials will manage the bicycle exchange area but will not give or take bicycles. Your second is also responsible for the safekeeping of your bicycle and all of your other clothing and equipment.

**SAFETY WARNING:**

Triathlons, by their very nature, are high risk events. In the bicycle leg, especially, there is a significant probability that one or more persons will crash in one way or another. Many of the cyclists will approach speeds of over 30 mph at certain points on the course and will sustain 25 mph over the entire course. Others may be going only 10 to 15 mph. This velocity differential is extremely hazardous. In addition, there are turns on the course which signal additional danger, as well as two-way bike traffic over a bridge.

CAUTION: We urge every participant in Triathlon to proceed in a cautious and defensive manner.

There will be lifeguards in the water for the swim leg and you should spot their locations before you enter the water. However, if you rest on any object, subsequent movement along the course during the swim leg must be swimming. Your entry in this Triathlon event explicitly implies that you understand serious accidents occasionally occur during bicycle racing, and severe injuries, and/or property damage, as a consequence. You agree to assume these risks and to release and hold harmless all of the persons who might otherwise be liable to you for damages.

**AT THE FINISH:** Finish times will be read continuously. Participants should listen for their own times. Some finishers will be handed time tags. These are used for correlating results, and may or may not correspond exactly to the finish time. Please hand these time tags in at the end of the exit chute to the person who takes your bib tag. If you need assistance, please inform one of the chute workers. After you exit the chute system, please move away quickly to reduce congestion.

**RESULTS:** Complete results will be mailed.
AWARDS CEREMONIES ON STAGE IN SEAGROVE PARK

10K Beach Run 5:00 p.m. Rough Water Swim 2:30 p.m.
Triathlon 4:30 p.m. Bike Race 11:30 a.m.
Fun Run 5:15 p.m.

MEDICAL INFORMATION FOR PARTICIPANTS

TEMPERATURE AND HUMIDITY: Temperature and humidity can substantially affect the performance and safety of runners. When the temperature exceeds 70F (21C) and/or humidity is greater than 50%, the incidence of heat-related injury markedly increases. The race medical team will monitor these conditions and alert runners at the starting line.

PREVENTION OF PHYSICAL PROBLEMS:

1. Athletes attempting to participate should have trained adequately. This should include at least two events within the previous month that are at least two-thirds the length of this event.

2. Avoid training to exhaustion within the week preceding the race.

3. Remember, you will be racing on yesterday's meals. We suggest a light meal no less than two hours before the race. Avoid fatty foods on race day. Emphasize carbohydrate intake the day before the race.

4. Maintenance of adequate hydration is the most important preventive measure. If you become thirsty, you are behind in fluids. Drink two 8-oz. glasses of fluid (preferably water) within 10 to 15 minutes of race time. Drink continuously throughout the race. Unless you are totally committed to time, stop to drink: finishing is the goal.

5. Pre-event warm-up should include stretching exercises of the calf, hamstring, quadriceps, groin, and trunk muscles. If you begin to feel muscle tightness or cramps, stop and stretch.

6. Blisters can be prevented by wearing well-fitted, broken-in shoes and soft light-weight socks. Powder in shoes and socks will reduce friction. Remove pebbles immediately. Nails should be trimmed. If you feel a hot spot developing, stop at an aid station for care.

7. Chafing occurs where clothing rubs against the skin. It can be prevented by wearing loose-fitting clothing and applying petroleum jelly or protective bandaging in susceptible areas such as nipples, armpits, neckline, and groin.

8. You will be one of many athletes, so race defensively. Stay to the right. Watch out for other participants and yield if necessary.

9. Pace yourself. Don't burn yourself out by starting too quickly. Common sense is the key.

RECOGNITION OF PHYSICAL PROBLEMS: While every athlete will experience varying degrees of discomfort, significant changes in physical status should be recognized. If in doubt, stop to ask for advice.

1. Symptoms of overexertion: Nausea, vomiting, extreme breathlessness, dizziness, unusual fatigue, headache.
2. Symptoms of heat injury: piloerection (hair on end or goose flesh) on the chest or upper arms, chilling, headache or throbbing pressure, unsteadiness, vomiting or nausea, labored breathing, faintness, muscle cramps. Continuing the race with these symptoms may result in collapse or unconsciousness. Stop. Get help.

3. Not only can blisters be painful, but infection can result and be literally life-threatening. Have them treated at an aid station.

4. If stretching does not relieve cramps, stop at an aid station.

5. Abrasions (skin scrapes, "strawberries") may become infected. Have them treated.

Report significant injuries or downed participants to medical or red-shirted personnel.

POLICE/FIRE LIFEGUARDS: Over 75 regular and reserve police officers, fire department officers and lifeguards are working and volunteering their services to see that all runners have a safe race. Without their services, this unique event could not be held. Please thank them as you go by!

SPECTATORS: The high bluff area across from the railroad station is close to the Triathlon, swim, 10K and fun run finish lines, as well as close to Seagrove Park. The bluff is large, and provides an outstanding spectator area. Please stay off the race courses and avoid crowding in on the finish line systems as it hinders finish line workers doing their job. Thank you.

VOLUNTEERS: Over 200 volunteers make this event possible for you. A word of thanks and a smile would show them that you appreciate their efforts.
TRIATHLON: Sequence is swim-bike-run. Start at 12:30 at north end of beach. Swim south outside buoys; exit water through chute; run up stairs or ramp to bluff and cross railroad track. Your "second" should have your bike/shoes/etc. in front of post office on 15th St. A fresh water shower and changing station is available. Bike uphill on 15th St. to Camino Del Mar (old 101), turn right (south) and follow the 4.94 mile course for four laps. Stop after four laps at the corner of 15th St. and old 101, dismount, give the bike back to your 'second', and return down 15th, back across the railroad track and down the ramp/stairs to the beach. Run north to the turnaround point, then south past the city to Torrey Pines beach. Circle around the turnaround point, and return to the finish line. CAUTION: At end of bike leg, do not ride bike around corner onto 15th St; it's a dangerous downhill and will be filled with people. You must dismount at the corner; have your 'second' meet you there. Change to your running attire in the changing station, please.

OPEN-OCEAN SWIM: Start at north end of beach, and swim south outside buoys. Lifeguards will be alongside. Exit water and run through chute to finish line. Note that one chute leads to the swim finish line, and the other is for Triathletes. Please select the correct one.

10K RUN: Start at 3:30 p.m. (Start is late to ensure plenty of open beach. Low tide is 3:46 p.m.), run north around the turnaround point, then south to Torrey Pines Beach. Circle around lifeguard tower #4, then return north to finish line.

BIKE RACE: Start at 9 a.m. in front of post office on 15th Street. An Indianapolis 500-style start will be orchestrated by Sports Consultants. Bike south on Camino Del Mar(old 101) and follow course for five laps. Finish line is at 15th Street and Camino Del Mar/old 101. CAUTION: Bike course has a steep turn at 8th St. and Camino Del Mar. Turn will be well posted, but riders must exercise care.

FUN RUN: Starts at north end of beach at 4 p.m. Run south to finish line.

Enjoy yourself. Who knows - a fun run this year, maybe a triathlon next?

RED SHIRTS: Are trained volunteer Del Mar Day Officials. They are trained to assist athletes and keep events on track. Please cooperate with them.

del Mar Day 1982

Attached are your results from Del Mar Day 1982. On behalf of the Del Mar Foundation and the City of Del Mar; the major sponsors--Valley Federal, The Fish Market, Ronchetti Design, Budweiser Light and the Winners Circle Resort, and the consulting firm--Sports Consultants, thank you for your participation in the Del Mar athletic events. As you may know, these events formed the centerpiece of a wide variety of cultural and recreational events; we hope you took time to enjoy some of them. And we hope to see you again at Del Mar Day next year.

Listed below are results for the swim. Unfortunately, a number of swimmers apparently misunderstood or did not read the instruction sheet and failed to wear the small, color-coded tag supplied for determining results. Consequently, many of these swimmers appear only by race number and could not be included in division placement. We regret this inconvenience any time it may cause.

Del Mar Day exceeds expectations

An estimated 7,000 people turned out Saturday and Sunday for the third annual Del Mar Day celebration, according to co-organizer John Collins, who expressed amazement at the size of the crowd. “I didn’t think the town could hold that many people,” Collins said.

Collins estimates that the two-day celebration netted about $20,000 for the Del Mar Foundation. “We really exceeded our expectations,” he commented.

“Our goal,” he added “was to provide something for everyone, and I think we succeeded very well.”

In addition to the ever-popular athletic events, this year’s schedule included games, entertainment and activities designed to appeal to all age groups and interests. Especially popular with senior citizens, Collins said, was an historical tour of old Del Mar.

One of the most popular attractions was the arts and crafts fair which Collins said featured the work of about 74 of the area’s artists.

An experiment that, Collins said, worked out very well was the use of a shuttle service to transport people from a parking area at the fairgrounds to the site of the festivities. On Saturday, free transportation was available on either a double-decker bus provided by radio station KyXy or on a tram provided by Sam Borgese of the Kobo clothing store. Tram service was also available Sunday.

Funds raised by Del Mar Day events will benefit the Del Mar Foundation, formed last year to provide community services not covered by tax funds. “People want their tax money to go for such essentials as road maintenance,” Collins said. The Foundation will cover such non-essential but desirable services as community cultural events.

Collins had nothing but praise for everyone who participated in planning the Del Mar Day events. “The cooperation was just fantastic,” he said. He especially noted the effort expended by co-chairperson Betsy Milich. “If the city is smart, they’ll hire Betsy to do it again next year,” he said.
